

## **Emerson Temperature Guide Campaign**

*Invitation Email Example*

SUBJECT: Learn how to improve diagnostics

# Benefits of Diagnostics

> Learn your options

## **Emerson Interactive Webinars**

Ask Questions. Get Answers.

Webinar Dates & Times  
Tuesday – November 11, 2014  
9:00 am US/Central

[Register now](#)

**Attend the webinar and improve your knowledge.**

You will learn about:

- Diagnostics that monitor the sensor measurement signal for a variety of conditions
- Transmitters that identify troubled installations or damaged sensors
- How to keep a complex process at peak efficiency

### **Come and ask questions.**

This 30-minute presentation will be followed up with a 20-minute live Q&A session with an Engineer who specializes in temperature measurement.

### **Reserve your place now.**

Webinar attendance is limited.

[Reserve your spot today!](#)

### **Learn from an industry expert**

**Caitlin Breen**, a temperature measurement engineer with Emerson Process Management, will share insights based upon Emerson's 50+ years of experience as a global leader in temperature measurement.

This webinar is based upon:

### ***The Engineer's Guide to Industrial to Temperature Measurement.***
